Host Provincial Sponsor	Alberta Health Services	Alberta Health Services (AHS) is Canada’s first and largest province wide, fully-integrated health system, responsible for delivering health services to the over four million people living in Alberta, as well as to some residents of Saskatchewan, B.C. and the Northwest Territories. AHS has over 108,000 employees, including over 99,900 direct AHS employees and over 8,200 staff working in AHS wholly-owned subsidiaries such as Carewest and CapitalCare Group (which provide continuing care) and Calgary Laboratory Services. We are also supported by over 15,600 volunteers and almost 8,000 members of the AHS medical staff (physicians, dentists, podiatrists, oral and maxillofacial surgeons). Students from Alberta’s universities and colleges, as well as from universities and colleges outside of Alberta, receive clinical education in AHS facilities and community locations.
Ruby	Oilers Entertainment Group Canada Corpn	
Ruby	Borm Bruckner Publishing	Borm Bruckner Publishing have been kind sponsors of the Pocket cards to all first year medical student since 2003.
Emerald	Alberta Medical Association	“The Alberta Medical Association stands as an advocate for its physician members, providing leadership and support for their role in the provision of quality health care.” The Alberta Medical Association (AMA) has been the voice of the medical profession in Alberta for almost as long as Alberta has been a province. From health reform and health issues, the association concerns itself with how Albertans receive care and with the physicians’ work environment.
Emerald	Primary Care Network	Primary Care Networks (PCNs) bring local physicians and other health care professionals together to provide comprehensive patient care to Albertans. PCNs are comprised of groups of family physicians working with other health care professionals such as nurses, nurse practitioners, dietitians, pharmacists, social workers and mental health professionals. PCNs develop solutions to meet the needs of the local community and their health issues. PCNs are created through an agreement between physicians and Alberta Health Services. There are now 42

**September 22 – September 25, 2016**

		PCNs operating throughout Alberta with more than 3,300 family physicians, and more than 1,100 other health practitioners.
Emerald	MDBriefcase	www.mdBriefCase.com is Canada's foremost on-line, continuing medical education (CME) provider, with a membership of over 30,000 Canadian physicians who currently use and help shape mdBriefCase content. We provide FREE multimedia, interactive and accredited learning programs written by leading medical specialists and developed by prestigious educational institutions. All of our programs are MAINPRO M1 (College of Family Physicians) AND MOC Section 1 or 3 (Royal College of Physicians and Surgeons of Canada) accredited.
Emerald	Canadian Resident Matching Service	The Canadian Resident Matching Service (CaRMS) is a national, independent, not-for-profit, fee-for-service organization that provides a fair, objective and transparent application and matching service for medical training throughout Canada. Le Service canadien de jumelage des résidents (CaRMS) est un organisme national indépendant à but non lucratif opérant en vertu du principe de la rémunération des services qui offre un service de candidature et de jumelage équitable, objectif et transparent pour l'enseignement médical à travers le Canada.
Emerald	Professional Association of Resident Physicians of Alberta	The Professional Association of Resident Physicians of Alberta (PARA) is the voice of the more than 1,700 resident physicians who provide round-the-clock care to Albertans in outpatient facilities and acute care hospitals. PARA represents physicians completing further training in a residency program through: <ul style="list-style-type: none"> <li>· advocating excellence in education and patient care, while striving to achieve optimal working conditions and personal well-being for its members</li> <li>· supporting individual resident physicians through education, leadership and well-being initiatives</li> </ul> PARA has been advocating on behalf of Alberta's resident physicians since 1975.
Pearl	Resident Doctors of Canada	Resident Doctors of Canada is the national representative body of more than 10,000 resident doctors in Canada. Established as a not-for-profit organization in 1972, the

		organization acts as the unified, national voice of our membership.
Pearl	College of Family Physicians of Canada	Representing more than 30,000 members across the country, the College of Family Physicians of Canada (CFPC) is the professional organization responsible for establishing standards for the training, certification and lifelong education of family physicians and for advocating on behalf of the specialty of family medicine, family physicians and their patients. The CFPC accredits postgraduate family medicine training in Canada's 17 medical schools. If you are a medical student, you are able to join the CFPC and maintain your membership for free. Register online to start benefiting from your membership! <a href="http://www.cfpc.ca">www.cfpc.ca</a>
Pearl	Virtual Hospice	The Canadian Virtual Hospice ( <a href="http://www.virtualhospice.ca">www.virtualhospice.ca</a> ) is Canada's most comprehensive source for online information and support on advanced illness, palliative and end-of-life care, loss and grief. We provide patients, families, health care providers, educators and researchers with information they can trust, in a safe environment, at no cost.
Pearl	College of Physicians & Surgeons of Alberta	The College of Physicians & Surgeons of Alberta regulates the practice of medicine in Alberta, and we want to talk with you! Stop by our CPSA information booth to learn more about the College and our role in your future medical practice. You can also email us at <a href="mailto:info@cpsa.ab.ca">info@cpsa.ab.ca</a> , read The Messenger newsletter, follow us on Twitter (CPSA_CA) or visit our website at <a href="http://cpsa.ca">cpsa.ca</a> . Why bother? Online and face-to-face conversations with medical students, physicians, patients and others gives us an unfiltered view of the front lines, while active participation at the national and international levels provides insight into the environmental shifts that impact the roles and expectations of physicians. We care about your future. Consider the College for an elective to learn more about administrative medicine, or Alberta as your home for medical practice. We are here to support you; let's stick together throughout your medical career!
Pearl	Wolters Kluwer	Wolters Kluwer is a leading publisher of medical, health and science publications. We offer an extensive selection of medical books, journals and electronic media for students, doctors, nurses, and specialized clinicians. Please visit our booth to browse our educational resources.
