Adel Arezki, VP Communications & Executive Vice President 2020 Annual General Meeting Virtual September 16-18th 2020

I. DESCRIPTION AND INTRODUCTION

The Canadian Federation of Medical Students (CFMS) is the representative voice of Canadian medical students to the national medical organizations, to the federal government, to the public, and to other external bodies. The CFMS represents over 8000 medical students at 15 Canadian medical schools from coast to coast. It is the mission of the CFMS to represent, support, and connect its members. The CFMS aims to communicate within its membership, as well as from its membership, to the world at large. As an ever-expanding organization, the CFMS continually strives to meet the consistent and changing needs of Canadian medical students.

Brief Description

From the CFMS bylaws, the VP Communications shall:

- a) Promote the CFMS and its services
- b) Publicize the activities of the CFMS
- c) Facilitate communications within the CFMS
- d) Keep or cause to be kept meetings of all minutes of the CFMS Board and of General Meetings
- e) Oversee online activities of the CFMS (including Website, Facebook, Twitter, Instagram, and LinkedIn accounts)

In practice, the VP Communications guides the internal and external communications of the CFMS and manages the public profile of the Federation. He promotes the activities of the CFMS, as well as the successes and advocacy efforts of medical students across Canada. He is responsible for maintaining regular contact with medical school representatives, engaging individual members of the CFMS, and communication with external organizations when this responsibility falls outside of the duties of the President. He also serves as the Co-Editor of the CFMS Annual Review magazine and oversees the CMAJ Student Humanities Blog. The VP Communications is the contact person for any news media requests.

I also serve as the CFMS Executive Vice-President, assisting Victor Do (CFMS President) in his duties.

VI. FUTURE PLANS & ACTION ITEMS

COVID-19 Implications: The onset of the COVID-19 pandemic has had far reaching implications for all CFMS members, as well as for our organization. A lot of work has been done in order to communicate to the membership in an efficient manner all new relevant information through Victor's President Memos.

Adel Arezki, VP Communications & Executive Vice President 2020 Annual General Meeting Virtual September 16-18th 2020

Now that cases are decreasing, a lot of work yet has to be done in order to better adapt to the "new normal", early work has been started in order to create a CFMS Forum for members to interact between each other in a safe environment – we hope this will create a sense of community in these times where social contacts are greatly limited.

You can visit our COVID-19 specific website here with more details and information on our work.

Future Plans:

Due to staff limitations in with the bilingualism committee, we were not able to translate the website in a satisfactory manner, however we developed a throughout process to facilitate website translations, which can be implemented as soon as this year. Another significant undertaking will be to develop a long-term strategy for the information technologies portfolio. As the website grows bigger and more features are added, the maintenance gets more complicated. The amazing 2020-2021 VP Communications is aware of these future directions and is excited to get started!

VII. REFLECTIONS AND CONCLUSIONS

This meeting will be my last one as a member of the CFMS Board of Directors. I am truly humbled and honored to have had the opportunity to serve the membership for the last 3 years - the last 2 years on the Board of Directors. This journey has been amazing, I had the opportunity to meet amazing friends and colleagues from all over Canada, work on projects that I'm passionate and most of all – having the privilege to serve colleagues from across all Canada.

I would like to thank Clara Long (Atlantic RD and Communications Attaché), Vivian Tan (IT Officer), Connor Brenna (Annual Review Editor), the whole communications committee as well as the CFMS Board of Directors for their support, friendship and incredible work. I'm always open to engage with my fellow medical students, if you want to chat about anything or have any questions, do not hesitate to reach out to me.
