

# RESOLUTION 10 - Omnibus Bylaw Amendments

## Resolution 10.1: Carbon Footprint

**Whereas:** During the Special Meeting of the Membership in July 2021, a clear mandate was given to the board of directors to ensure transparency and efficient of the organization;

**Whereas:** In order to continue the organization forward in a efficient and effective manner bylaw amendments are necessary for good governance;

**Whereas:** Our membership in coordination with the CFMS HEART team has allowed us to see actionable steps in ensuring our organization reduces our environmental impact in whatever capacity we can;

**Whereas:** All edits **presented in blue** within the bylaws reflect our reduction in using paper mail and prioritizing electronic communications and recognize that in person meetings will still hold incredible value but to allow for virtual meetings whenever possible to reduce our carbon footprint;

**Be it resolved that** The Canadian Federation of Medical Students adopt the minor language edits to sections 16, 17, 24, 25, 26, 73 and 100.

**Financial Cost:** This has no financial cost and will save the organization money on in person meetings and postage.

**Source of Funding:** None required

**Level of Effort of Volunteer/Staff:** Nothing extra required.

**Moved By:** Victoria Turnbull, Ontario Regional Director

**Seconded By:** Santanna Hernandez, President
