

AFMC Student Portal User Interface Feedback from Clerks

Students in their clerkship year are invited to participate in a consultation session on the Student Portal user interface.

Why you should attend?

This is a unique opportunity for students to provide direct and specific feedback about the Student Portal User Interface. The AFMC will provide a demo of the new Portal tool for students. We would like to hear your thoughts.

When: Friday, April 28, 2017 | 4: 15 – 5:30 p.m. (CST)

Where: CCME – RBC Centre – Meeting Room 8

Who: Open Session to all Students

About the AFMC Student Portal

The AFMC Student Portal is a bilingual information hub and centralized application service for visiting electives for all Canadian faculties of medicine. Services are offered for Canadian and international undergraduate medical students.
