Electives

22:05 - 22:30	Electives planning/cost **Debbie (McMaster)**	
	4th electives schedule **Achieng (Manitoba)**	Over the past 2 years, the schedule has been slightly off due to the leap year (class of 2018) and due to CaRMS not pushing the interview start date back a week (class of 2019), as well, Manitoba in general has a lower level of pre-CaRMS elective time than most other schools in Canada, putting us at a disadvantage
