

Resolution: Motion to Adopt a Position Paper “Canadian Federation of Medical Students Position Statement on Recreational Cannabis Legalization”

Whereas: Bill C-45 will allow Canadians to legally possess, grow and purchase recreational cannabis;

Whereas: the CFMS believe that all Canadians should be able to experience the benefits of cannabis legalization while being protected from any detrimental health and/or social consequences;

Whereas: as future health professionals, medical students can use their voice to shape the developing cannabis legalization policy and practice.

Be it resolved: that the CFMS: adopt the position paper " Canadian Federation of Medical Students Position Statement on Recreational Cannabis Legalization " and in doing so make public their opinion and defending the position when the opportunity arises.
