📍 UBC, Vancouver

April, 2023

Hi everyone! My name is Andy Huang (he/him) from the MD Class of 2025 at UBC, and I am running to be your VP Finance.

From my remarkable experience at the 2022 AGM, I discovered the significance of CFMS as an organization for helping Canadian medical students. The tremendous fervour board members displayed was infectious, and I knew I wanted to be involved in some way to make a difference for my peers. As such, I immediately sought an opportunity and joined the Finance, Audit, and Human Resources (FAHR) Committee as the sole member. So, this past year I have had the pleasure of working directly with Zach, the current VP of Finance, which has been invaluable. The skills gained makes me a qualified candidate to efficiently transition into the role. From completing revisions of CFMS policy documents, reviewing ongoing financial projects with Zach, and to improving the current financial structure, I want to continue.

Throughout undergrad, I developed a passion for financial work and was involved as VP Finance for my student society and a large-scale student first aid group. Thus, I have had a plethora of experience acting as a financial liaison for committee members, spent weeks securing long-term sponsorships, and hours on consulting budgets. Ultimately, I want to assist all CFMS board members in succeeding in their roles. I want to thank you all for considering my candidacy, and I look forward to growing CFMS together and fostering a better future for all Canadian medical students.

Sincerely,

**ANDY HUANG**
